MARKET BEEF RULES AND REGULATIONS

General and general livestock rules and regulations apply in this department.

1. All exhibitors are eligible to weigh-in 6 market animals. Youth are limited to exhibiting 3 market beef animals in the 4-H Market Beef Classes.
2. Pre-registration is required through fairentry.com.
3. Market beef may enter the barn between 8:00 a.m. - 4:00 p.m. Weigh-in order will be determined by the cattle committee. No reweighs allowed unless scale mechanical failure. Weight classes will be determined after all calves have been weighed. Animals must weigh 900 lbs. or more to qualify for Market Beef Classes. Animals weighing 899 lbs. or less will be shown as heavy feeder calves and will not be eligible to show for champion.
4. **Market Beef entries must have been weighed in on Saturday, December 15, 2018.** If there is a conflict, written request is REQUIRED and due to the extension office by December 1. After the requirements are met, members may choose to attend an adjoining county's weigh-in.
5. Only those beef with a daily rate of gain of 2.4 lbs. for steers and 2.2 lbs. for market heifers or more are eligible for blue ribbons. There are 214 days from Beef Weigh in date to Wednesday, July 17, 2019.
6. **Market animals will be in 2 divisions: Market heifers and market steers. Respective champions will be awarded in each division, and Market Heifer Champions will compete against Market Steers in the Top 5 Drive. The Top 5 Drive will consist of the Champion Market Heifer, Reserve Champion Market Heifer, Champion, and Reserve Champion Light, Medium, and Heavy weight Market Steers, along with the Champion and Reserve Champion Purebred Steers.**
7. **Purebred Market Beef: There must be three animals in a class to represent a breed, if there is not three of one specific breed then there will be an all other breeds class shown by weight**. Champion and reserve Champion of each breed and AOB will compete against each other for an Overall Purebred Market Champion and Overall Purebred Market Reserve Champion. The two overall winners will then compete in the Top 5 final drive. State Fair rules will apply for registration. Registration papers must be in exhibitor's name and to the Extension Office by February 1. Association rules apply to being considered purebred. At the Fair weigh-in (in July) we must know whether steer will be showed as commercial or purebred before the animal may leave the scales.
8. The County-Raised Beef producer must reside in Henry County.
9. All market beef must be double-tied.
10. Once a calf is loose in the ring 3 times, that calf is automatically tied to the fence for as long as the animal is being shown.
11. All market beef must be dehorned.

Beef Department (cont.)

12. Class adjustments may be made at the discretion of the department committee.
13. **NO Premiums paid to Market Beef.**
14. **EVERY** market steer brought to the fair will be scanned. Scanning will be on Thursday of fair week at 1:00 p.m.
15. **ALL market steers will be shown in the Market Steer Production Show AND the 4-H Beef show. These shows will be held separately. If market animals are not shown in the production show the exhibitor is not allowed to participate in ribbon auction.**
16. The Market Steer Production Show will be no fit. Absolutely NO fitting will be allowed.
17. Steers will be brought in by December weigh-in weights and will be placed according to scan data.
18. The top 10 will be placed in the ring at the end of weight divisions and the audience will be given a list with no tag number or member number. Winner will then be announced.
19. The value added per day on feed formula will be used to judge this class.
20. **Awards in this class will be monetary.**

Beef Department (cont.)

BREEDING BEEF RULES AND REGULATIONS

General and general livestock rules and regulations apply in this department.

1. Exhibitors are limited to a total of 3 entries in the beef heifer and cow classes. Cows must have been registered by a member as a yearling in 4-H Online.
2. All heifers will be judged from the standpoint of future usefulness as a breeding cow.
3. Heifers shown in this division cannot be shown in any Market Beef class and are not eligible for the Ribbon Auction.
4. A minimum of 3 animals will represent a breed class. Otherwise, the committee will determine classes. Appendix & purebred Shorthorn will be shown together, as will foundation and purebred Simmental.
5. **Breeding Beef class champions will advance to a Top 5 Drive. If the top 2 are County Raised the highest placing will automatically be the County Raised Champion. If the top 2 are not County Raised then a County Raised class will be held with the representatives of each.**
6. Purebred beef must turn in copies of registration papers at time of ID—May 15. **If registration papers are not turned in by May 15th, animal will be shown in commercial class. Registration papers must be in 4-H/FFA member's name.**
7. Breeding beef may enter the barn between 8:00 a.m. - 4:00 p.m. Weigh-in order will be determined by the cattle committee.
8. All breeding beef must be double-tied.
9. Only horned Herefords will be allowed to show with horns.
10. Once a cow has won Grand Champion Breeding Cow-Calf, she is no longer eligible to be shown again.
11. Breeding heifers will not compete with breeding cow/calf classes for championship.
12. Premiums paid will be: Blue $5.00 and Red $3.00
